We will do the reservation for the whole bar for groups of 50 or more. Any less than that, we reserve the right to set aside a table or two at the entrance of the bar. This package is great for work events, birthday parties, bachelor/bachelorette parties, and even just to have some private space for you and your friends to sit, relax, eat, have a beverage, and experience the thrill of watching your horse cross the finish line!

2) \$29 FOR SIT DOWN DINNER AT SKYBOXES AND TABLES OUT ON THE WINDOWS.

THIS INCLUDES:

- Gate admission, program, & third floor admission
- Dinner salad, choice of one of three entrees (steak, chicken or fish served with baked potato and fresh veggies) & our featured desserts for the evening

This is a full, sit-down dinner package. You will have a server to cater to all of your needs! This package puts you right out on the floor at our tables on the windows and in our luxury skyboxes. Perfect for the ultimate relaxation and level of fun that you just wont find anywhere else!

All packages are available to accommodate a liquor tab designed specifically for your party...i.e. drink tokens (we will only be responsible for distributing 2-3 per person), a liquor tab to a specific dollar amount, or running a tab up to a race number. We also have Trophy races available. This allows 4-5 of your group to be escorted down to the winners circle and present the trophy to the owner of the winning horse, as well as naming the race and having it printed in our programs! You will receive an 8 x 10 photo, and a memory never forgotten! This extra cost for the Trophy Race is only \$50, a perfect way to celebrate an employees achievements, a loved ones birthday, or even for your anniversary.
